

MILL SPRINGS ACADEMY

PVA MEMBERSHIP

2009-2010

The Parent Volunteer Association (PVA) at Mill Springs Academy is a vital part of the school. There are many purposes of the PVA but one of our main goals is to create a sense of community within our group of families and students. And while fundraising is very important in order to allow for school enrichment and program upgrades we also have many other functions such as providing hospitality to new families, assisting our librarian, and coordinating holiday and year-end gifts for the teachers and staff. The PVA represents the families at Mill Springs Academy and we want you to take part!

“Research has proven that parent involvement is the #1 indicator of a child’s school success.”

We would like to encourage you to join the PVA and become an involved member of our MSA community. However, if schedules and time constraints prevent you from doing so you can still support the school by becoming a member. You can become a member by simply turning in the form and submitting your one-time annual dues. At that time you will become a voting member and will be able to make a difference in the association that represents you! You will also be updated with information regarding PVA events such as the Family Dinner and Magazine/Wrapping Paper/Gift Sale, and receive helpful parenting resources.

Let your voice be heard and join the PVA today!

Name: _____
